Did She Mention My Name (Gordon Lightfoot)

G **C** **Am**
It's so nice to meet an old friend, and pass the time of day,

D **D7** **G**
And talk about the hometown, a million miles away,

C **Am**
Is the ice still in the river, are the old folks still the same,

D **G**
And by the way, did she mention my name?

C **D** **G** **Em**
Did she mention my name, just in passing, and when the morning came

A7 **D** **D7**
Do you remember if she dropped a name or two?

G **C** **Am**
Is the home team still on fire, do they still win all their games,

D **D7** **G**
And by the way, did she mention my name?

G **C** **Am**
Is the landlord still a loser, do his signs hang in the hall,

D **D7** **G**
Are the young girls still as pretty in the city in the fall?

C **Am**
Does the laughter on their faces still put the sun to shame,

D **D7** **G**
And by the way, did she mention my name.

C **D** **G** **Em**
Did she mention my name just in passing, and when the talk ran high,

A7 **D** **D7**
Did the look in her eye seem far away,

G **C** **Am**
Is the old roof still leaking, when the late snow turns to rain,

D **D7** **G**
And by the way, did she mention my name?

C **D** **G** **Em**
Did she mention my name just in passing, and looking at the rain,

A7 **D** **D7**
Do you remember if she dropped a name or two?

G **C** **Am**
Won't you say hello from someone, there'll be no need to explain,
