GH-5

There's a dark and a troubled side of life
But there's a bright and a sunny side too
Though you meet with the darkness and strife
The sunny side you also may view

CHORUS

Keep on the sunny side, always on the sunny side
Keep on the sunny side of life
It will help us every day, it will brighten all the way
If we'll keep on the sunny side of life

Though the storm and its furies rage today
Crushing hope that we cherish so dear
The cloud and storm will in time pass away
And the sun again will shine bright and clear

Repeat CHORUS

Let us greet with a song of hope each day
Though the moment be cloudy or fair
And let us trust in our Ukuleles
and play them as often as we dare!

Repeat CHORUS - at least few times !
