## Red River Valley by Marty Robbins (1960) (G @ 118 BPM)

**Intro**  Last two lines of chorus

**Chorus**
```
C                    G7        C
Come and sit by my side if you love me
                          G7
Do not hasten to bid me adieu
        C            C7       F
Just remember the Red River Valley
        G7                        C
And the cowboy that loved you so true
```

```
C                 G7         C
From this valley they say you are leaving
                               G7
We shall miss your bright eyes and sweet smile
        C           C7       F
For you take with you all of the sunshine
        G7                        C
That has brightened our pathway a while.  Chorus
```

```
C                 G7         C
When you go to your home by the ocean
                            G7
May you never forget those sweet hours
        C           C7       F
That we spent in that Red River Valley
        G7                        C
And the love we exchanged with the flowers.  Chorus
```

```
C                 G7        C
I have waited a long time my darling
                            G7
For those words that you never would say
        C        C7            F
Till at last now my poor heart is breaking
        G7                    C
For they tell me you're going away.  Chorus
