

# White Christmas (Irving Berlin)

Intro: (Last two lines of song)

**C**                      **Dm**            **G**  
I'm dreaming of a white Christmas,

**F**                      **G**                      **C**  
Just like the ones I used to know,

**C7**                      **F**  
Where the tree tops glisten and children listen,

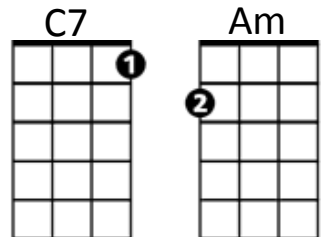

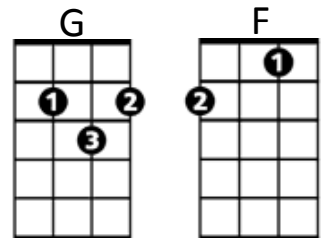

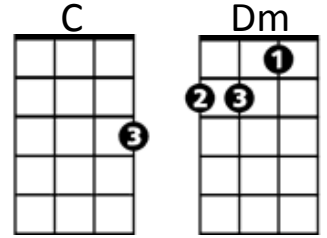

**C**    **Am**                                      **Dm**    **G**  
To hear sleigh bells in the snow.

**C**                      **Dm**            **G**  
I'm dreaming of a white Christmas,

**F**                      **G**                      **C**  
With every Christmas card I write.

**C7**                      **F**  
May your days be merry and bright -

**C**            **Dm**                                      **G**    **C**  
And may all your Christmases be white.

**repeat entire song**
