

# Spooky Scary Skeletons

Spooky, Scary Skeletons by Andrew Gold from his 1996 album  
"Halloween Howls" – Version 1

B 4322                      C 5433  
Em 0432                    Eb 0441  
B7 4320                    Bm 4222  
also F, D, G, Am, C

**C            B            Em                                      C            B            Em**  
Spooky scary skeletons    Send shivers down your spine  
**C                            B                            Em                                      C            B            Em**  
Shrieking skulls will shock your soul, and seal your doom tonight  
**C                            B                            Em                                      C            B            Em**  
Spooky scary skeletons    Speak with such a screech  
**C                            B                            Em**  
You'll shake and shudder in surprise  
**C                            B                            Em**  
When you hear these zombies shriek

**G                            D                            Bm                            Eb**  
*We're so sorry skeletons,    You're so misunderstood*  
**Am                            F                            B7                            B**  
*You only want to socialize    But I don't think we should*

**C            B            Em                                      C            B            Em**  
Cause spooky scary skeletons    Shout startling shrilly screams  
**C                            B                            Em                                      C            B            Em**  
They'll sneak from their sarcophagus    And just won't leave you be

**G            D                            Bm                            Eb**  
*Spirits supernatural    are shy, what's all the fuss*  
**Am                            F                            B7                            B**  
*But bags of bones seem so unsafe    It's semi-serious!*

**C            B            Em                                      C            B            Em**  
Spooky scary skeletons    Are silly all the same  
**C                            B                            Em                                      C            B            Em**  
They'll smile and scrabble slowly by,    And drive you so in-sane  
**C                            B                            Em                                      C            B            Em**  
Sticks and stones will break your bones, they seldom let you snooze  
**C                            B                            Em                                      C            B            Em                            or 7777**  
Spooky scary skeletons    Will wake – you – with – a - BOO!
