

Both Sides Now (Joni Mitchell) (C)

Both Sides Now by Judy Collins

C **F** **C**
 Bows and flows of angel hair,
 Em **F** **C**
 And ice cream castles in the air,
 F **Dm**
 And feather canyons everywhere;
 G
 I've looked at clouds that way.
 C **Dm** **F** **C**
 But now they only block the sun,
 Em **F** **C**
 They rain and snow on every-one,
 F **Dm**
 So many things I would have done,
 G
 But clouds got in the way.

C **F** **C**
 I've looked at clouds from both sides now,
 F **C** **F** **C**
 From up and down, and still some-how
 Em **F** **C**
 It's cloud's il-lusions I recall
 F **G** **G7** **G** **C** - **Dm** **C**
G
 I really don't know clouds ___ at all.

C **F** **C**
 Moons and Junes and Ferris wheels,
 Em **F** **C**
 The dizzy dancing way you feel
 F **Dm**
 When every fairy tale comes real;
 G
 I've looked at love that way.
 C **Dm** **F** **C**
 But now it's just a-nother show,
 Em **F** **C**
 You leave them laughing when you go,
 F **Dm**
 And if you care don't let them know,
 G
 Don't give yourself a-way.

C **F** **C**
 I've looked at love from both sides now,
 F **C** **F** **C**
 From give and take, and still some-how
 Em **F** **C**
 It's love's il-lusions I recall
 F **G** **G7** **G** **C** - **Dm** **C** **G**
 I really don't know love ___ at all.

C **F** **C**
 Tears and fears and feeling proud,
 Em **F** **C**
 To say "I love you" right out loud;
 F **Dm**
 Dreams and schemes and circus crowds;
 G
 I've looked at life that way.
 C **Dm** **F** **C**
 But now old friends are acting strange,
 Em **F** **C**
 They shake their heads; they say I've changed
 F **Dm**
 But something's lost and something's gained
 G
 In living every day

C **F** **C**
 I've looked at life from both sides now,
 F **C** **F** **C**
 From win and lose, and still some-how
 Em **F** **C**
 It's life's il-lusions I recall
 F **C** **Dm** **G** **G7** **C**
 I really don't know life ___ at all.
