I Melt With You

Intro:  G  C  G  C

G                                        C
Moving forward using all my breath
G                                    C
Making love to you was never second best
G                                          C
I saw the world crashing all around your face
G                                      C
Never really knowing it was always mesh and lace

Chorus:
G                                               C
I'll stop the world and melt with you
G
You've seen the difference
C
And it's getting better all the time
G                                                C
There's nothing you and I won't do
G                                               C
I'll stop the world and melt with you

G                                               C
Dream of better lives the kind which never hate
G                                          C
Trapped in the state of imaginary grace
G                                      C
I made a pilgrimage to save this humans race
G                                              C
What I'm comprehending
C
A race that's long gone by. Chorus.

Chorus:
G                                               C
I'll stop the world and melt with you
G                                               C
I'll stop the world and melt with you
