Intro:  C  G7  F  C  G7  C

C          G7
A long long time ago, there was a volcano.
F          C    G7
Living all alone, in the middle of the sea.
C          G7
He sat high above his bay, watching all the couples play,
F          C    G7
And wishing that, he had someone too.
C          G7
And from his lava came, this song of hope
F          C    G7
That he sang out-loud every day, for years and years.

Chorus:
F          C
I have a dream, I hope will come true,
G7          C
That you're here with me and I'm here with you
F          C
I wish that the earth, sea, the sky up above
F          G7    C
Will send me someone to lava

C          G7
He was singing all alone, turned his lava into stone,
F          C    G7
Until he was on the brink of extinction.
C          G7
But little did he know that living in the sea below
F          C    G7
Another volcano was listening to his song.

C          G7
Every day she heard his tune, her lava grew and grew
F          C    G7
Because she believed his song was meant for her.
C          G7
Now she was so ready to meet him above the sea
F          C    G7
As he sang his song of hope for the last time.

(Chorus)
