If you start me up, if you start me up, I'll never stop.
        C F
If you start me up, if you start me up, I'll never stop.

I've been running hot, you got me rifting, gonna blow my top,

If you start me up, if you start me up, I'll never stop, never stop, never stop, never stop

You make a grown man cry, you make a grown man cry, you make a grown man cry!

Spread out the oil, the gasoline, I walk smooth, ride in a mean, mean machine.

Start it up, kick on the starter give it all you got,

I can't compete with the riders in the other heats.

If you rough it up, if you like it I can slide it up, slide it up, slide it up, slide it up

Don't make a grown man cry, don't make a grown man cry, don't make a grown man cry!

My eyes dilate, my lips go green, my hands are greasy, she's a mean, mean machine.

Start me up, Ah, give it all you got! You got to never, never, never stop

Slide it up, never, never slide it up!

You make a grown man cry, you make a grown man cry, you make a grown man cry!

Ride like the wind at double speed, I'll take you places that you've never, never seen.

Tough me up, let me tell you we will never stop, never stop never never never stop

Tough me up, let me tell you we will never stop, never stop

You, you, you make a grown man cry!

You, you make a dead man moan!

You, you, you make a dead man moan
