Touch of Grey (Jerry Garcia / Robert Hunter) (C)

C                       G      C   F              Bb        F
Must be getting early,    clocks are running late,
G                          C      F
First light of the morning sky, looks so phony.
C                       G      C   F              Bb        F
Dawn is breaking everywhere, not a candle, cursed the glare,
G                          C      F
Draw the curtains, I don't care, 'cause it's alright.

Chorus:

G C          F   G C         F
I   will get by, I   will get by,
G C         Bb   F   G
I   will get by – y - y,
F            F  G  F  G
I will survive.

C                           G        C F                      Bb        F
I see you got your fist out,   say your piece and get out,
G                          C      F
Yes I get the gist of it, but it's alright.
C                       G      C   F              Bb        F
Sorry that you feel that way, the only thing there is to say,
G                          C      F
Every silver lining's got a touch of grey. - (CHORUS)

Dm                       G          Dm                  Am                   G
It's a lesson to me, the Ables and the Bakers and the C's
Am               G                         Dm                         G
The ABC's, we all must face, try to keep a little grace.

C                           G        C F                      Bb        F
I know the rent is in ar-rears,   the dog has not been fed in years,
G                          C      F
It's even worse than it appears, but, it's alright.
C                       G      C   F              Bb        F
The cow was given kerosene, Kid can't read at seven-teen,
G                          C      F
The words he knows are all obscene, but, it's alright. - (CHORUS)

C                           G        C F                      Bb        F
The shoe is on the hand it fits, there's really nothing much to it,
G                          C      F
Whistle through your teeth and spit, 'cause, it's alright.
C                       G      C   F              Bb        F
Oh well, a touch of grey, kind of suits you any-way,
G                          C      F
That was all I have to say, but, it's alright. - (CHORUS)

(CHORUS with "We" instead of "I") (2x to fade)
